

Enduring Earth Annual Meeting – Travel Info and What to Bring

March 17-19, 2026

Hyatt Regency, Panama City, Panama

Gran Canal Ballroom

This is a highly interactive, workshop-style meeting with lots of group work and movement, so plan for comfort.

In the meeting room

- Dress code: Business casual. Please join us in attire such as comfortable slacks or chinos with a collared shirt or blouse, or dress or skirt with flats, loafers, or low heels. Wear comfortable clothing and shoes suitable for standing, moving, and breakout activities. We kindly ask participants to avoid very casual items such as T-shirts, athletic wear, distressed denim, and flip-flops.
- Panama City will be hot and humid (up to 32C/90F), but the meeting rooms will be air-conditioned, so bring a light layer (light sweater, cardigan, shawl) if you tend to get cold.
- Please bring as little as possible into the meeting room; we will not have assigned seats or storage.
- Avoid bringing valuables, as you'll be moving around and changing seats throughout the day.
- Refillable water bottle – water filling stations will be available throughout the venue, and your bottle will also be useful for the field trip.

Field trip participants

If you are joining the field trip, please also bring:

- Breathable clothing (such as cotton or moisture-wicking fabrics) is suitable for warm, humid outdoor conditions.
- Sunscreen and insect repellent.
- A small bag or backpack that you can easily keep with you.
- Comfortable walking shoes that you don't mind getting dusty or muddy.

Airport Transfer

- The hotel does not provide an airport shuttle. An Uber from the airport to the Hyatt Regency costs approximately \$25.
- If you are traveling with a group, you may prefer to order a discounted private shuttle by contacting: info@anconexpeditions.com
